

CAMBRIDGE LOCAL SHOPS

A free website to help you get local deliveries, and support local suppliers during the coronavirus pandemic

If you need shopping delivered...

You'll find a list of [local shops](#) that are offering a delivery service – some are taking orders online, others offer an order form or ask you to ring them and place your order. Most offer can accept payment by phone or by card, by online payment or on delivery. We're also listing information about things like timed/contact-free collection of pre-ordered shopping, timed slots for key workers etc.

If you're looking for food outlets that will deliver...

We've got a [page for food outlets](#) – restaurants and take-aways that are able to deliver to you.

Activities for those stuck at home...

Stuck at home and thinking of learning a new skill? Looking for ways to keep the kids busy? Check out the [activities](#) that local organisations are providing online to keep you going.

If you're a shop or business that would like to be featured...

This site is for local shops and other delivery businesses (take aways etc) that can help people who are self-isolating at the moment. Please visit the [contact page](#) and complete the form – your information will be added as soon as possible. You can also tell us if you're doing something other than delivering – eg timed/contact free collection of pre-ordered shopping, or timed slots for key workers, etc.

Delivery companies

If you need to find companies that can help deliver your products to customers check out the [delivery companies](#) page and get in touch with one!
