

## EASING THE LOCKDOWN FROM 4TH JULY

Always practise social distancing with people from outside of your household or support bubble, keeping 2 metres apart.

### From 4 July:

- you can meet in groups of up to two households (your [support bubble](#) counts as one household) in any location - public or private, indoors or outdoors. You do not always have to meet with the same household - you can meet with different households at different times. However, you should socially distance from anyone not in your household or bubble.
- when you are outside you can continue to meet in groups of up to six people from different households, following social distancing guidelines
- additional businesses and venues, including restaurants, pubs, cinemas, visitor attractions, hotels, and campsites will be able to open - but certain premises where the risks of transmission may be higher will remain closed
- other public places, such as libraries, community centres, places of worship, outdoor playgrounds and outdoor gyms will be able to open
- you can stay overnight away from your home with your own household or support bubble, or with members of one other household. It will be against the law to gather in groups larger than 30 people, except for a limited set of circumstances.
- For further information, please see <https://www.gov.uk/government/publications/coronavirus-outbreak-faqs-what-you-can-and-cant-do/coronavirus-outbreak-faqs-what-you-can-and-cant-do>
