

FIX YOUR BIKE VOUCHER SCHEME

Worth up to £50 towards the cost of repairing a bicycle

The Fix Your Bike Voucher Scheme allows members of the public to receive a government-funded voucher worth up to £50 towards the cost of repairing a bicycle.

All vouchers in the first, second and third releases have now been allocated, but further vouchers will be released when it is clear that applicants will be able to get their bikes fixed at a wide range of retailers without significant waiting times. This is anticipated shortly. To apply for a voucher, when they become available, go to
