

REFUSE COLLECTIONS

The City Council continues to collect bins and from May will also empty green bins again.

Refuse Collection: The City Council continues to collect bins and from May will also empty green bins again. Although they may not be emptied every time, please put them out on the same day as the blue bins and the Council will empty them at least monthly. The website now enables you to find the exact dates when your bin will be emptied by putting in your postcode. If you have bulky items to remove, the City Council have resumed their bulky waste collections (See also: <https://tiny.cc/z1v4nz>)

Garden Refuse: City residents are being urged by Cambridge City Council to avoid having bonfires. These add to air pollution and worsen the risk of health problems particularly for those with respiratory conditions. (See also: <https://tiny.cc/u3v4nz>)
