

## TESTING FOR CORONAVIRUS

If you have symptoms of coronavirus (COVID-19), you can ask for a test to check if you have the virus.

The main symptoms of coronavirus are

- A high temperature
- A new, continuous cough
- A loss or change to your sense of smell or taste

If you have symptoms of coronavirus (COVID-19), you can ask for a test to check if you have the virus. This is called an antigen test. Call 111 to ask for a test.
