

TOMATO, CHILLI AND PEPPER PLANTS WANTED

Collection of tomato, chilli and pepper plants donations needed for community mental health.

The community mental health team in Cambridge are collecting tomato, chilli and pepper plants (or seedlings) for their service users. If you would like to donate any of these to the project, you can leave them in a box inside the door at Union House on Union Lane. The door opens automatically so there is no need to have any contact with people to make the donations. So far twenty people have been given gardening packs and there is plenty of demand.
